Dock Docket August 2026

Congrats to Sara & Jacob!

We are excited to announce the new co-management team at Beaufort Town Docks! Sara Bell has been promoted to Administrative Manager, and Jacob Naegelen to Dockmaster.

Together, Sara and Jacob have already proven to be a strong leadership team. With eight years of experience at Beaufort Town Docks, Jacob brings extensive knowledge of marina operations and a steady hand in overseeing the docks. Sara's administrative skills, combined with her local knowledge make her a perfect fit for leading the office.

We are proud to have them at the helm and look forward to their continued success as they lead Beaufort Town Docks into the future. Congratulations, Sara and Jacob!

Monthly Special Through October 1st

Take advantage of our off-season monthly dockage rates, available throughout August and September. Monthly dockage is just \$11 per foot, plus power, with a 30-foot minimum.

Whether you're a local looking to enjoy everything downtown Beaufort has to offer while having convenient access to Cape Lookout and Shackleford Banks, or you're cruising through and planning an extended stay in the "Beauzone," downtown Beaufort is the perfect place to call home. In fact, several of our July guests love Beaufort so much that they decided to extend their stay!

To book, give us a call at 252-728-2503 or email beaufortdocks@f3marina.com.

We look forward to welcoming you to Beaufort!

Summer Dock Projects

Our dockhands have been busy replacing the backing plates on our cleats throughout the marina. These backing plates provide essential reinforcement so that the cleats remain strong and secure when our guests tie up at Beaufort Town Docks. This maintenance helps improve both the safety and reliability of our docking facilities while extending the lifespan of the equipment. Because of the number of cleats throughout the marina, this will be an ongoing project for the remainder of the summer as our dockmaster and dockhands continue to make improvements to provide the best possible experience for our guests.

PROFESSIONALLY
MANAGED BY
